## About North Alabama *FUTSAL*

North Alabama *FUTSAL* was established in 2013 as a youth and adult (amateur) indoor soccer league that services cities in North Alabama by organizing seasons, tournaments, camps, clinics and more. The North Alabama *FUTSAL* League exists to bring organized futsal games to North Alabama. It is the first permanent organization created with the initial sole purpose of facilitating standard futsal play in Alabama. North Alabama *FUTSAL* is a member of the United States Futsal Federation (USFF), which is an Other Affiliated Member of the United States Soccer Federation (USSF). North Alabama *FUTSAL* and the games it hosts are governed by the USFF and conducts itself within the guidelines of the USFF and its affiliations.

## North Alabama *FUTSAL* History / Status

North Alabama *FUTSAL* conducted its first season in the winter of 2013/14. It has now conducted five winter seasons, five summer seasons, three youth tournaments, three youth academies, nine referee clinics, three youth player clinics and three adult player clinics. The North Alabama *FUTSAL* League started with intentions to become a not-for-profit IRC 501(c)3 organization but has been operating to date as a not-making-a-profit organization because of the huge application fee to the IRS (\$850.00). Thus far the North Alabama *FUTSAL* League has not profited in any whole year of existence and has recorded losses ranging from approx. \$950 to \$1800 annually. The North Alabama *FUTSAL* League exists for the good of the game rather than for any gain from services sold. Any potential monetary gained will be re-funneled back into the league to further promote the popularity and participation of playing futsal in Alabama.

## Benefits of Futsal

1. Gives players many more touches on the ball than outdoor soccer games typically provide
2. Leads to better ball control skills, i.e. better dribbling, better passing, better shooting
3. Necessitates quick thinking in tight places
4. Only a few different rules to learn, e.g. kick-ins instead of throw-ins
5. Allows playing in the coldest months and in the hottest months of the year
6. Futsal is safer than wall-ball
