

# Annual Player Registration Instructions

Players must register annually, often prior to fall season, providing insurance, player passes, and inclusion on team rosters and in futsal activities. Youth players register with US Youth Futsal; adult players register with US Futsal Federation. After a *team* registers with North Alabama *FUTSAL* League and it is determined there are enough like teams to form a division, *players* (or new additional players for winter, spring and/or summer seasons) must immediately register.
