Welcome, Darrell Schmidt, to the Database Management System for UNITED STATES FUTSAL® FEDERATION.

Select an Option:

The first page above, which may have been skipped initially, requires entering your User ID and Password created for you during Team registration. Enter ID and Password and click on [Submit Information].

On the second page above, select “Add Players, Manage Team Information, and Make Payment” and click on [Continue].

On the next page, click on **Players** on the left side of the page and then **[Add New Player]** using links that look like the following:

STEP 4. Be especially careful in entering player names and birth dates because they are used to create player IDs. Once created, player IDs cannot be edited.

ALTERNATE METHOD: If adding players that played on the same team the previous year, use one of the following links:

STEP 5. After adding all players to your team, you must upload pictures of your players using the following link:

NOTE: The registration system details what the technical requirements are for the pictures. Additionally, prepare **square** pictures for uploading, otherwise, your pictures will be distorted.

STEP 6. After adding all players and uploading all individual player pictures, you are finished with the team/player registration process.
