NOTE: Annual Player Registration Fees:

All youth players must register with U.S. Youth Futsal (USYF) and all adult players must register with U.S. Futsal Federation (USFF) annually, usually in the fall, to play in sanctioned events. If not done in the fall, registration will have to be completed in the spring before playing in a spring tournament or the summer season. This registration provides insurance and is how players receive their player passes. The cost is \$15 per youth player and \$25 per adult player. This does not apply when registering for "The Mighty Fours" tournament.
